

Year: 4

Term: Autumn 1

Amazing Amazon

Theme Overview

This topic is based on the human impact on the Amazon rainforest and the features of the forest itself. We will research the animals and flora of the forest as well as the inhabitants, both indigenous and otherwise. We will be asking the children to think about how we can live alongside nature in a way that is healthy for our planet.

ART & DT

Art inspired by Dina Farris Appel's watercolour Jaguar Eye

Amazon rainforest art.

Use new techniques when drawing in pastel.

Arts Week activities.

ENGLISH - CLPE

Leon and The Place Between

- To explore, interpret and respond to illustrations in a picture book
- To enjoy a story and discuss its meanings
- To build an imaginative picture of a fantasy world, based on real life experiences
- To explore these through role play and through writing in role
- To write own stories based on the story read from another character's point of view

Amazing Amazon

Why is the Amazon so vital to the world?

Hook into Learning:

Plea from the Amazon

Topic Finale:

Amazon Extravaganza to parents

2:45pm on Friday 18th October

FRENCH

Unit 7: Les transports

(Transport and Travel)

GEOGRAPHY

Use atlases and Google Earth to find the world's most famous rainforests.

Learn about the different types of rainforests, particularly the Amazon, and what each of the layers of the rainforest are as well as the types of animals/plants that live there.

Explore the relationship between humans, animals and plants in the Amazon rainforest. How has the rainforest changed over time? Look at land use of the Amazon over time.

Explore endangered species related to the Amazon. What is the human impact on the Amazon? How can we help?

Why is the Amazon so vital to the world?

SCARF - relationships

COMPUTING

Online safety
Design and test code
Understand IF and ELSE statements
Use coordinates for programming

SCIENCE

Living things and their habitats

Recognise that living things can be grouped in a variety of ways

Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment

Recognise that environments can change and that this can sometimes pose dangers to living things

MATHS

Week of Inspirational Maths

Place Value

- Represent, partition, order and compare numbers up to 10,000
- Draw numbers up to 10,000 on a number line
- Round to the nearest 10, 100 and 1,000
- Roman Numerals

MUSIC

Mamma Mia

Listen and appraise

Compose, improvise and perform
