

Year: 2

Term: Summer 2

Topic - Coasts

Theme Overview

How are humans affecting the oceans?

Coasts is a thematic unit, with a subject focus on geography. There is also a science element which is based around environmental issues, including plastic pollution and over fishing. We will be listening to and performing sea shanties as well as making underwater inspired art. Threaded through this unit is the theme of behaving responsibly, with consideration for others.

ART

- Create colour wheels - add white to colours to make tints and black to colours to make tones.
- Britta Teckentrup – illustrator study

GEOGRAPHY

- Ask and answer geographical questions to find out about coastal areas of the UK.
- Identify the key features of a location in order to say

DT

Make glove puppets

- Explore how products have been created.
- Shape textiles using templates.
- Join textiles using running stitch.
- Suggest and implement improvements to existing designs.

HOOK INTO LEARNING

The Lighthouse Keeper's Lunch

Visit to Holland on Sea

Monday 1st July

MATHS

- Capacity
- Fractions
- Length
- Mass

COMPUTING

- Effective searching.
- Presenting ideas

PE

- Team games

RE & PSHE

PSHE

- Transitions
- Living in the wider world

RE

- How Jewish people show commitment to God

SCIENCE

- Ocean habitats and environmental changes
- Plastic pollution

ENGLISH

- Character descriptions
- Information text
- Book reviews
- Recounts of real events – our trip to the beach.

MUSIC

- Sing Sea Shanties
- Learn and perform songs and sing in a round
- Perform at South Mill Arts

Music Festival – 24th June
