

How you can help your child at home

- Hear your child read regularly and read to your child
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to become more independent throughout the year (home study folders, reading diaries, PE kits etc)
- Encourage high quality presentation with all home study tasks

Assistant Head: Clare Bugg

Hazel and Sycamore Class (Year 5) Curriculum Newsletter

Summer Term 2019

Class Teachers: Mr Joseph Eaton, Miss Rachel Bryant

Teaching Assistants: Ms Lisa Hogan, Miss Sarah Tarran, Mrs Louise Blaney

This half term Year 5 will be focusing back in on the place they know best, the local community. We will be exploring the town on foot via our Town Trail, looking at the historical buildings of the area and discussing how we can do our bit to help out in the present! We will be building up our walking stamina by attempting to complete a regular walk a mile challenge. We will also predict what may happen to the town in the next 100 years and created our own model version of this future Bishop's Stortford. This will also link in to thinking about the type of sustainable community we wish the town to be in the future.

Personal, Social and Emotional Development

PSHCE - Health and Wellbeing

Reflect and celebrate achievements, areas of strength, aspirations and goals.

How images in the media do not always reflect reality. How it can affect how people feel about themselves.

Puberty video & discussion sessions.

RE- Christianity and Judaism

The function of objects, places and people within religious practises and life-styles.

Recognise key similarities and differences.

Key leader roles and local religious places.

Communication, Language and English

Persuasion

Write individual, group and class persuasive texts for real purposes, presenting a clear point of view, commenting on emotive issues.

Explanation

Read and analyse explanation texts. Research and plan a page for a reference book. Independently plan, compose, edit and refine explanatory texts.

Mathematical Development

Geometry - Properties of Shape

Identify 3-D shapes from 2-D representations. Estimate and compare acute, obtuse and reflex angles.

Decimals - Adding and subtracting decimals. Decimal sequences. Multiplying and dividing decimals.

Converting units - Convert between different units of metric measure (e.g. km and m)

Volume - Estimate volume and capacity.

Bishop's Stortford - Past, Present and Future

Knowledge and Understanding of the World

Science - Animals, including Humans

Identify and understand different stages of the human life cycle.

Describe changes as humans develop to old age. How adolescence and puberty fit into the human life cycle.

Town Trail

Explore Bishop's Stortford and find out about continuity and change over time.

Computing - Digital Manipulation. Design and create programmes that collect, analyse, evaluate and present data.

Physical Development

Bikeability

Walk/Run a Mile Challenge

Athletics

Learn and develop run, jump and throw skills.

Rounders/Cricket

Improve and practise fielding and batting skills.

Develop coordination.

Build team work and strategy skills.

School Sports Day

Creative Development

Music

Reading and writing musical notation.

Art - Sketching & Drawing

Various drawing techniques to add interesting effects which depict movement, perspective, shadows and reflection.

3D Sculpture - in response to Town Trail trip, with a futuristic theme.
