In our final term in Year 6, we will be sharing our time between our show and our exciting new project. Rehearsals for our show, The Game's a Foot will be taking place regularly—we can tell from the children's singing that you're going to be in for a treat! Look forward to the final performance on Wednesday 10th July. Our project is a challenge based around designing a theme park, and we will also be learning some other life skills that will help our children to be successful in secondary school and beyond.
