

How you can help your child at home

- Regularly hear your child read or read to your child
- Retelling familiar stories in their own words or using the pictures in a book
- Support your child with homework activities
- Counting in 2s, 5s and 10s forwards and backwards
- Learn by heart pairs of numbers making 10 and then 20, such as 5 + 5, 15+5

Curriculum Newsletter

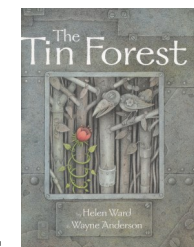

Spring Term 2

2019

Class Teachers: Ms Lynch & Mrs Fuat

Teaching Assistants: Mrs Borg,

Mrs Johnson and Mrs Cannell

This term our topic is 'Take One Picture' and we have chosen a picture the fabulous book 'The Tin Forest' by Helen Ward. This will be used to inspire our learning on habitats and in particular different types of forests. To support this we will be visiting Hatfield Forest towards the end of the topic.

We will be looking at the human impact on rainforests and how we can change our behaviour to protect these environments for the future.

Personal, Social and Emotional Development

RE

What Easter means to Christians including Lent, Mothering Sunday, Palm Sunday and the Last Supper.

Delivered by Sharon Borg

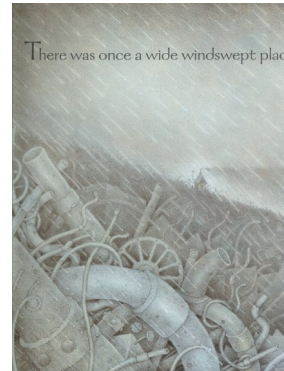

PSHE

Valuing Difference and Health and Well Being

Delivered by Louise Greenhill

Communication, Language and Literacy

- Instructions – How to make an enchanted forest
- Narrative – Settings
- Poetry - riddles

Mathematical Development

- Recall and use multiplication facts for the 2, 5 and 10 times tables.
- Identify, estimate and represent numbers up to 100.
- Identify missing numbers on a number line.
- Addition and subtraction including missing number problems
- Inverse operations

The Tin Forest

Creative Development

Art

Make a Tin Forest using variety of materials

- Use a combination of materials that are cut, torn and glued.
- Sort and arrange materials.
- Mix materials to create texture

Music

Create a sequence of long and short sounds.

Knowledge and Understanding of the World

Science

- Explore animal habitats
- Explore weather patterns
- Understand food chains

Design Technology

- Using software design and make a mini-beast habitat
- Evaluate and refine designs based on suggestions

Computing

- Branching databases (insects)
- Data handling
- Presentation skills

Physical Development

- **Swimming** – Oak Class only
- **PE** - Hockey (Holly & Oak)
