

How you can help your child at home

- Hear your child read regularly and read to your child
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to become more independent throughout the year (home study folders, reading diaries, PE kits etc)
- Encourage high quality presentation with all home study tasks

Hazel and Sycamore Class (Year 5) Curriculum Newsletter

Spring Term 2019

Class Teachers: Mr Joe Eaton, Miss Rachel Bryant

Teaching Assistants: Ms Lisa Hogan, Miss Sarah Tarran, Mrs Annette Burns, Mrs Blaney

Make Do and Mend! Keep Calm and Carry On! Dig for Victory! World War II has been declared in Year 5 this term. We will be exploring the key moments during the war as well as looking at the role of important historical figures at the time. We will also be reading the thought provoking 'Goodnight Mister Tom', which gives an insight into what life would have been like for a child evacuee. In science we will be getting to grips with gravity and other forces, including how, through machines, we can use them to our advantage.

Personal, Social and Emotional Development

PSHCE

Propaganda— What is it and how was it used?

Health & Wellbeing – Healthy Lifestyles:
Learn how to keep your body healthy.

RE - Judaism

Key figures in Judaism - Moses and Esther

Religious festivals - Exodus celebrated at Passover when a special meal is eaten.

Communication, Language and English

Fiction from our literary heritage

Goodnight Mister Tom

Use improvisation and role play to explore different characters' points of view.

Retell a story from the point of view of another character.

Use relative clauses to add detail.

Plan and write a contemporary story based on the plot of Goodnight Mister Tom.

Mathematical Development

Multiplication and Division

Multiply and divide numbers by 10, 100 & 1,000.

Use formal written methods to multiply and divide numbers up to four digits by a one or two digit number.

Fractions

Compare and order fractions.

Find equivalent fractions.

Make Do and Mend

Knowledge and Understanding of the World

History/Geography

What events led to WW2? Which countries were involved? What key events happened during WW2? Who were some of the influential figures during WW2? What was the impact of WW2 on Britain?

Science - Forces and Machines

Gravity, resistance, levers and pulleys, gears and gear ratios.

Computing

Design, test, debug and refine programs for on-screen devices.

Use decomposition in algorithms and programs.

Physical Development

P.E

Dance - Use music and physical theatre to tell a story based on characters from WW2.

Indoor Athletics

Various athletics skills & events including: sprinting, javelin, shotput, long jump & triple jump.

Creative Development

Music - WW2 Music

Discuss different themes evident in songs and relating to events of that time.

DT - Sewing and Woodwork

Practise various sewing techniques.

Create something new out of recycled materials.

Create wood-based designs that improve existing products using sawing, drilling, joining skills.
