

How you can help your child at home

- Make sure your child is reading regularly and a range of genres
- Practise times tables
- Practise spellings
- Ensure homework is done to a very good standard
- Support your child with any additional work they may have
- Encourage them to be responsible for their belongings, making sure they have what they need for each day

Curriculum Newsletter

Autumn Term 2018

Class Teachers: Mrs Richardson, Mr Carter

Support Staff: Mrs Dawson, Mrs Perry

For the first half of the Autumn Term, our creative curriculum is all about infection! We'll be acting as disease detectives, investigating the causes, symptoms, cures and fatality rates of a range of infectious diseases, both in the past and now. On Tuesday 23rd October at 2:15 we'll be inviting you in to come and visit our own Summerville CDC (Centre for Disease Control) where we'll teach you all about identifying diseases.

Personal, Social and Emotional Development

Helping others

Aid and prevention of modern day diseases

Macmillan Coffee Morning

Self-Care

Personal health – avoiding infection

RE

Christianity and Buddhism

Communication, Language and Literacy

Patient Zero—Marilee Peters

Focused guided reading sessions, questioning and responses to the text.

Recounts

Doctor's recount of the day disease struck the town

Non-chronological report

Information on infectious diseases

Speaking and Listening

Throughout the topic the children will be required to justify and reason their ideas.

We will also be reading extended topic pieces in a range of genres to develop the children's reading stamina.

Mathematical Development

Reading and writing numbers up to 10,000,000

Ordering and comparing numbers

Calculating using all four operations using mental and written methods

Multiplying and dividing by 10, 100 and 1000

Identifying properties of numbers

Recalling and using equivalent fractions, decimals and percentages

Reading, writing and converting between measurements

Problem solving and reasoning skills

Infection!

Knowledge and Understanding of the World

Science

Germes

Geography/History

A broad overview of life in Britain from medieval times

The Black Death and other diseases and their effect on different areas of Europe

Comparing the impact of diseases then and now—analysing statistics

Looking at trade routes and living conditions to understand the spread of diseases

Physical Development

Gymnastics

Capture the Flag

Walk a Mile

Forest School games

Creative Development

Art

Plague art (pencils and shading, charcoal) in the style of Henry Moore

Pointillism

Music

O2 Young Voices choir
