

How you can help your child at home

- Hear your child read regularly and read to your child
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to complete their spelling 'Word of the Day'
- Encourage your child to become more independent throughout the year (home study folders, PE kits etc)
- Encourage high quality presentation with all home study tasks, using the handwriting pen we have provided.

Acting Headteacher: Stephen Jess

Acting Deputy Head: Emily Richardson

Assistant Head: Clare Bugg

Hazel and Sycamore Class (Year 5) Curriculum Newsletter

Autumn Term 2020

Class Teachers: Mr Joe Eaton, Mrs Hollie Londors

Teaching Assistants: Ms Lisa Hogan, Mrs Everett Mrs Blaney, Miss Brown, Mrs McCrone, Mrs Mose

Year 5 will then 'Reach for the Stars' as we turn our attention towards space, with a focus on Earth, the moon and sun. This will influence our English work as we use what we learn to write reports. "The Planets", musical compositions of Gustav Holst, and paintings by Vincent Van Gogh, in particular 'Starry Night', will be our inspiration for Music and Art. Our focus will then return to Earth in order to study and compare the maps of different countries, before creating maps of our own. 3...2...1 ... Lift off!

Personal, Social and Emotional Development

PSHCE: New Beginnings

Class Rules and Responsibilities

Growth Mindset

Computing: E-Safety

Staying safe on the internet and tablet devices

French

Speaking and reading the weather, instruments and writing subordinate sentences.

Communication, Language and English Reports

Write a non-chronological report comparing two planets, focusing on clarity, conciseness and impersonal style.

Narrative

Plan, compose, edit and refine a space themed narrative using the model text 'Jazz Harper Space Explorer'

Poetry - Cinquains

Mathematical Development

Growth Mindset in Maths

Place Value

Read, write, order, round & compare numbers to at least 1,000,000

Count forwards or backwards in steps of powers of 10

Interpret negative numbers in context

Addition & Subtraction

Add and subtract whole numbers mentally and using formal written methods

Knowledge and Understanding of the World

Science: Earth and Space

Describe the order and movement of the Earth and other planets relative to the sun. Describe the movement of the moon relative to the Earth. Use the Earth's rotation to explain day and night.

Geography

Study maps of the world's countries, focusing on human and physical features. Understand some of the reasons for geographical similarities and differences between countries.

The World Around Us

Physical Development

Hockey

Controlling, passing and shooting with the hockey ball. Dribbling with the stick, positioning on the court, defending and attacking.

Netball

Positions & rules for High-5 netball, shooting technique, dodging & marking, a variety of passes as a team.

Creative Development

Art - Painting

Vincent Van Gogh

Use brush techniques and the qualities of paint to create texture. Develop a personal style of painting, drawing upon ideas from other artists.

Music - The Planets by Gustav Holst

Listen to and appraise the different planet pieces, including 'Mars'. Use and understand simple time signatures
