

How you can help your child at home

- Hear your child read regularly and read to your child
- Help your child learn their multiplication and division facts up to 12 x 12
- Encourage your child to become more independent throughout the year (home study folders, reading diaries, PE kits etc)
- Encourage high quality presentation with all home study tasks

Make Do and Mend! Keep Calm and Carry On! Dig for Victory!

World War II has been declared in Year 5. We will be exploring key events leading up to and during the war as well as looking at the role of important historical figures of the time and the impact war had on Great Britain. We will examine what life would have been like for a child evacuee. We will also be getting to grips with gravity and other forces, including how we can use them to our advantage.

Personal, Social and Emotional Development

PSHCE

Propaganda— What is it and how was it used?

Being assertive - how to say 'no' in pressured situations

Our emotional needs - family, friends and respect

Spot bullying - How to spot bullying and what to do about it

French

Musical Instruments

Likes & Dislikes

Communication, Language and English

Fiction from our literary heritage

The Lion and the Unicorn by Shirley Hughes

Friend or Foe by Michael Morpurgo

Goodnight Mister Tom by Michelle Magorian

Use improvisation and role play to explore different characters' points of view.

Use dialogue and action to aid characterisation in writing

Plan and write a contemporary story based on the plot of a historical story

Mathematical Development

Multiplication and Division

Use formal written methods to multiply and divide numbers up to four digits by a one or two digit number.

Fractions

Compare and order fractions.

Find equivalent fractions.

Make Do and Mend

Knowledge and Understanding of the World

History/Geography

What events led to WW2? What key events happened during WW2? Who were some of the influential figures during WW2? What was the impact of WW2 on Britain?

Science - Forces and Machines

Gravity, resistance, levers and pulleys, gears and gear ratios.

Using forces knowledge, design and create our own Rube Goldberg machines

Computing

Design, test, debug and refine programs for on-screen devices.

Use decomposition in algorithms and programs.

Physical Development

Indoor Athletics

Various athletics skills & events including: sprinting, relay, javelin, shotput, long jump & triple jump.

P.E

Dance - Use music and physical theatre to tell a story based on characters from WW2.

Creative Development

Music - WW2 Music

Discuss different themes evident in WW2 songs and relating to events of that time.

DT - Sewing

Practise various sewing techniques.

Create something new out of recycled materials.
