

Year: 1

Term: Summer 2

Whole School Theme: Mini-topic 3

Toys Now and Then!

Theme Overview

'Toys Now and Then' is a history unit. We will focus on toys from the past and compare these to the present. We will look at the materials used then and now and compare the differences. The children will explore artefacts from the past as well as current toys to see how and why they have changed throughout the years.

History

Explore our favourite toys and describe what they are made from.

Explore favourite toys within our families.

Create a timeline of toys from past to present.

Explore Victorian toys.

How toys have changed over time.

Sort old and new toys.

Hook into Learning:

Favourite toy

Topic Finale:

Toy comparison
