

Year: 1

Term: Summer
1/Summer 2

Whole School Theme: Main topic 4

Going Wild!

Theme Overview

'Going Wild' is a thematic unit based around humans and animals, with a science focus. Children will look at humans and animals, beginning with characteristics of living and non-living things through to classifying birds, fish, amphibians, reptiles and mammals. There will be a particular focus on looking after animals and children will learn about extinction, wildlife conservation, habitat deconstruction and endangered species.

PSHE

Human body
Naming body parts
Importance of physical exercise
Importance of staying fit
Caring for plants
Family and special people
Borrowing/lending

Hook into Learning:

Animal visit

Topic Finale:

Summercroft Safari

ART
