

Year: 1

Term: Spring
2/Summer 1

Whole School Theme: Main topic 3

Unity in the Community

Theme Overview

'Unity in the Community' is a thematic unit about the area you live in, with a geography focus. Children will develop their geographical skills, local knowledge and understanding through learning about their school, the features of its grounds, the surrounding area and how it has changed over time. They will be taught all about the importance of acting responsibly both within school and the wider community.

PSHE

Trusted adults

Sense of community – family, school and local.

Road safety

Sense of belonging – clubs, school and family.

Local area – helping the local area
