

Geography KS1 NC Objectives	Never Eat Shredded Wheat – Y1	Unity in the Community – Y1	UK Tour – Y2	Forests – Y2	Coasts – Y2
Name and locate the world's seven continents and five oceans					
Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas					
Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a contrasting non-European country					
Identify seasonal and daily weather patterns in the United Kingdom					
Identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles					
Use basic geographical vocabulary to refer to key physical features including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather					
Use basic geographical vocabulary to refer to key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop					
Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage					
Use simple compass directions (North, South, East and West) and locational language (e.g. near and far) to describe the location of features and routes on a map					
Use aerial photographs and plan perspectives to recognise landmarks and basic physical features; devise a simple map; and use and construct basic symbols in a key					
Use simple fieldwork and observational skills to study the geography of their school and the key human and physical features of its surrounding environment.
