

Year: 2

Term: Summer 2

How are humans affecting the oceans?

Coasts is a thematic unit, with a subject focus on geography. There is also a science element which is based around environmental issues, including plastic pollution and over fishing. We will be listening to and performing sea shanties as well as making underwater inspired art. Threaded through this unit is the theme of behaving responsibly, with consideration for others.

RE

- Understand Prayer and what it means
- Places of worship:
 - Mosque
 - Synagogue
 - Gurdwara

MUSIC

- Learn and perform songs and sing in a round
- Perform at South Mill Arts

Music Festival – Monday 22nd June

GEOGRAPHY

- Ask and answer geographical questions to find out about coastal areas of the UK.
- Identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area.
- Use aerial images and plan perspectives to recognise landmarks and basic physical features. (Google Earth)
- Use basic geographical vocabulary to refer to the physical and human features of a place.

SCIENCE

- Ocean habitats and environmental changes
- Plastic pollution
- Growing up
 - Parent and offspring
 - Life cycles

PE

- Athletics
- Sports Day

COMPUTING

- Questioning
- Presenting ideas
- Online Safety

DESIGN AND TECHNOLOGY

Make glove puppets

- Explore how products have been created.
- Shape textiles using templates.
- Join textiles using running stitch.
- Suggest and implement improvements to existing designs.

Coasts

Hook into Learning:

Big Art – seascapes

Topic Finale:

Visit to Holland-on-Sea

Thursday 2nd July

ART

- Artist Study – Frank Bowling
- Expressive painting

MATHS

- Length and height
- Mass, capacity and temperature
- Position and direction

ENGLISH

- Character descriptions
- Information text
- Poetry
- Recounts of real events – our trip to the beach.
