

Year: 4

Term: Autumn 1

Amazing Amazon

Theme Overview

This topic is based on the human impact on the Amazon rainforest and the features of the forest itself. We will research the animals and flora of the forest as well as the inhabitants, both indigenous and otherwise. We will be asking the children to think about how we can live alongside nature in a way that is healthy for our planet.

ART & DT

Art inspired by Dina Farris Appel's watercolour Jaguar Eye

Amazon rainforest art.

Access Art – Storytelling through Drawing

MATHS

Place Value

- Represent, partition, order and compare numbers up to 10,000
- Draw numbers up to 10,000 on a number line
- Represent, partition, order and compare numbers up to 10,000
- Draw numbers up to 10,000 on a number line
- Round to the nearest 10, 100 and 1,000
- Roman Numerals

(Transport and Travel)

GEOGRAPHY

Use atlases and Google Earth to find the world's most famous rainforests.

Learn about the different types of rainforests, particularly the Amazon, and what each of the layers of the rainforest are as well as the types of animals/plants that live there.

Explore the relationship between humans, animals and plants in the Amazon rainforest. How has the rainforest changed over time? Look at land use of the Amazon over time.

Explore endangered species related to the Amazon. What is the human impact on the Amazon? How can we help?

Why is the Amazon so vital to the world?
