

Summercroft Primary PTA

2023/2024

WHY DO WE HAVE A PTA?

The Parent Teacher Association (PTA) is a registered charity whose aim is to improve the student experience for the pupils of Summercroft Primary School. We do this by raising funds for educational resources, play equipment and extra-curricular activities and strengthening the school community.

The PTA is entirely run by a committee of volunteers who help organise these events, supported by the school, staff, parents and children. We welcome new members to join the team or to help with an individual event or fundraiser. We are a friendly, sociable team who understand the practicalities of everyday life, and levels of involvement are both varied and flexible.
